DEMOLITION PERMIT

INSTRUCTIONS: This form must be filled out in duplicate by the applicant either in ink or typewriter. Two inspections must be requested by the applicant and certified by the Building and Zoning Department. The First: Before any work is done. The Second: At the completion of all work. One copy of this form will be returned with a permit as an indication that his office is prepared to make the first inspection. The second copy will be filed as a permanent record of this office. **Note: (Before proceeding with any land disturbance, contact "Dig Safely New York" at 1-800-962-7962, a free service, to insure a safe dig.)**

FEES: A fee in keeping with the schedule set up for alterations and additions to a Building will apply. This is payable at the time of requesting a permit and should be made payable to the Village of Wesley Hills.

SCOPE: This office is to check the following points as stated in the New York State building Construction Code Applicable to General Building Construction and such other matters as may be deemed necessary.

SAFETY DURING DEMOLITION

A – Safe and sanitary conditions shall be provided where demolition wrecking operations are being carried on. Work shall be done in such manner that hazard from fire, possibility of injury, danger to health, and conditions which may constitute a public nuisance will be minimized, in conformity with general accepted standards.

B – Access to utilities and public facilities, including among others, fire hydrants, fire alarm boxes, police call boxes, street lights and manholes, shall be kept unobstructed during demolition.

C – Gas, electric, sewer, heat, power, water and other service connections shall be disconnected, removed, or sealed, in conformity with the applicable regulations of the public utility or municipal agency having jurisdiction.
